COUNSEL FOR THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS, FOR
INTERIM ALLOWANCE OF COMPENSATION FOR PROFESSIONAL SERVICES
RENDERED AND FOR REIMBURSEMENT OF ACTUAL AND NECESSARY
EXPENSES INCURRED FROM JANUARY 1, 2013 THROUGH APRIL 30 2013**

TO THE HONORABLE MARTIN GLENN
UNITED STATES BANKRUPTCY JUDGE:

Kramer Levin Naftalis & Frankel LLP ("**Kramer Levin**"), counsel to the Official Committee of Unsecured Creditors (the "**Committee**") of the above-captioned debtors and debtors-in-possession (collectively, the "**Debtors**") in the above-referenced chapter 11 cases (the "**Chapter 11 Cases**"), hereby files its third application (the "**Application**") pursuant to section 330(a) and 331 of title 11 of the United States Code (the "**Bankruptcy Code**"), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"), and Rule 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the "**Local Bankruptcy**

Rules”), for the interim allowance of compensation for professional services performed by Kramer Levin for the period commencing January 1, 2013 through and including April 30, 2013 (the “**Third Interim Period**”), and for reimbursement of its actual and necessary expenses incurred during the Third Interim Period. In support of its Application, Kramer Levin respectfully represents as follows:

PRELIMINARY STATEMENT

1. Throughout the Third Interim Period, Kramer Levin continued to play a pivotal role in these Chapter 11 Cases as lead counsel to the Committee, and expended substantial efforts representing the interests of the Committee and general unsecured creditors in all significant case matters. The Debtors’ cases continued to progress at a quick pace during the Third Interim Period, and required the resources and expertise of Kramer Levin’s bankruptcy, litigation, and corporate departments to represent the interests of the unsecured creditors and ensure that these cases proceeded in a manner beneficial to the estates.

2. Kramer Levin’s work during the Third Interim Period was primarily devoted to the investigation of estate claims against AFI and the global mediation, led by the Honorable James M. Peck. The mediation sought to resolve disputes between the creditors and AFI, as well as significant outstanding Debtor-creditor, inter-Debtor, and inter-creditor disputes, in an effort to reach a consensus on the terms of a chapter 11 plan. Beginning in January 2013, in conjunction with the mediation, the Committee prepared and presented a detailed analysis of the claims and causes of action against AFI and its affiliates that were the result of the Committee’s extensive investigation, as well as attending and analyzing presentations from AFI regarding potential defenses to such claims and causes of action. As the mediation and plan negotiations progressed, Kramer Levin began the preparation of extensive term sheets detailing the terms of a chapter 11 plan that would garner global consensus among the parties in interest.

Ultimately, Judge Peck organized a global mediation summit for April 22-23, 2013, which was held at Kramer Levin's offices, and was attended by the Debtors, AFI, the Committee, Committee members, and several other major creditor constituencies in these chapter 11 cases.

3. While plan negotiations were ongoing, Kramer Levin simultaneously continued to prepare for the trial on the Debtors' RMBS 9019 Motion—which was initially adjourned to mid-March, and later adjourned to late May 2013—including analyzing the responsive pleadings to the motion filed by the Debtors, AFI, the Steering Committee, among others, and preparing direct testimony for the Committee's experts as well as cross-examination testimony for potential witnesses at trial. In addition, Kramer Levin continued its investigation and analysis of valuable estate claims against AFI and other non-Debtor affiliates related to numerous prepetition transactions, and prepared extensive submissions to the Court-appointed examiner (the "Examiner") detailing the results of such investigation and the claims identified against AFI.

4. Also during this time, Kramer Levin spent a substantial amount of time working towards the closing of the sales of the Debtors' mortgage origination and servicing platform (the "Platform Assets") and hold-for-sale loan portfolio ("HFS Assets"), which closed in January and February 2013 and garnered approximately \$4.5 billion in value to the Debtors' estates. This process involved, among other things, (i) reviewing the respective asset purchase agreements, transition services agreements, servicing transition agreements, and all related closing documents, (ii) negotiating modifications to each with the Debtors and counsel to the purchasers, (iii) addressing outstanding cure objections, and (iv) negotiating with the governmental servicing entities (including Fannie Mae and Freddie Mac) regarding cure issues and the terms and timing of closing.

5. Given the numerous and complex issues presented by these cases, and the quick pace at which these cases continue to progress, Kramer Levin was required to keep the Committee continuously apprised of important case developments and issues. In this regard, Kramer Levin hosted Committee calls or meetings at least weekly, held numerous pre-calls with the Committee co-chairs and individual Committee members, as well as provided the Committee with detailed reports and updates on the cases on a daily basis.

6. During the Third Interim Period, the actions taken by the Committee, through Kramer Levin and its other professionals, yielded significant benefits for the estates and their creditors. Including those discussed above, notable highlights of Kramer Levin's role during the Third Interim Period, among others, include:

- Conducting a thorough analysis of the claims asserted by major creditor constituencies, including RMBS claims, monoline claims, securities claims, borrower claims and other claims arising out of the Debtors' mortgage origination business as well as numerous proofs of claim filed against the Debtors, and working with the Debtors to prepare omnibus claims objections to certain of those claims;
- Facilitating the closing of the sales of the Debtors' Platform Assets and HFS Assets, and establishing bidding and sale procedures for the potential sale of the Debtors' FHA Loans.;
- Continuing to review and analyze the Debtors' proposed RMBS Settlement, including addressing evidentiary issues and preparing for trial on the Debtors' motion seeking approval of the RMBS Settlement;
- Working with the Debtors regarding the appointment and scope of duties for the chief restructuring officer;
- Continuing to review extensive documents produced by the Debtors, AFI, and other parties in connection with the examination of potential estate claims against AFI;
- Developing and providing multiple factual and legal presentations to the Committee and the Examiner regarding the status of the Committee's

investigation of claims and causes of action against AFI and other non-Debtor affiliates;

- Preparing a motion seeking standing to pursue claims and causes of action against AFI and certain of its affiliates, and obtaining the Debtors' consent to such standing; and
- Supporting the Debtors' motion seeking to reclassify the foreclosure review obligations arising under the FRB Consent Order as general unsecured claims, including responding to the objections filed by the FRB and AFI.

7. The Committee's substantial accomplishments during the Third Interim Period required significant resources from multiple departments within Kramer Levin. Kramer Levin respectfully submits that its services during the Third Interim Period were required by the unique demands of these cases, valuable, and warrant approval of its requested fees and expenses.

JURISDICTION AND VENUE

8. The Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334.

9. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

10. The statutory predicate for the relief requested herein is sections 330 and 331 of the Bankruptcy Code, Rule 2016 of the Bankruptcy Rules, and Rule 2016-1 of the Local Bankruptcy Rules.

SUMMARY OF PROFESSIONAL COMPENSATION AND REIMBURSEMENT OF EXPENSES REQUESTED

11. This Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on January 23, 2013 (the "**Local Guidelines**"), the

United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the “**UST Guidelines**”), and the Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals [Docket No. 797] entered in these Chapter 11 Cases (the “**Interim Compensation Order**” and together with the Local Guidelines and the UST Guidelines, the “**Guidelines**”). Pursuant to the Guidelines, a certification of Kenneth H. Eckstein regarding compliance with the Guidelines is attached hereto as **Exhibit A**.

12. Kramer Levin seeks interim allowance of fees for professional services rendered during the Third Interim Period in the aggregate amount of \$15,197,547.00 (the “**Third Interim Fees**”) and reimbursement of expenses incurred in connection with those services in the aggregate amount of \$806,168.59 (the “**Third Interim Expenses**”).

13. During the Third Interim Period, Kramer Levin attorneys and paraprofessionals expended a total of 23,237.70 hours for which compensation is requested.

14. There is no agreement or understanding between Kramer Levin and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these Chapter 11 Cases.

15. The fees charged by Kramer Levin in these Chapter 11 Cases are billed in accordance with its existing billing rates and procedures set forth in the Application Pursuant to Sections 328 and 1103 of the Bankruptcy Code and Federal Rule of Bankruptcy Procedure 2014 for an Order to Retain and Employ Kramer Levin Naftalis & Frankel LLP as Counsel to the Official Committee of Unsecured Creditors of the Debtors, *Nunc Pro Tunc*, to May 16, 2012 (the “**Retention Application**”) [Docket No. 528]. On February 14, 2013, Kramer Levin filed the Supplemental Declaration of Kenneth H. Eckstein Pursuant to Order Approving Retention of

Kramer Levin Naftalis & Frankel LLP as Counsel to the Official Committee of Unsecured Creditors, *Nunc Pro Tunc* to May 16, 2012 [Docket No. 2920], pursuant to which Kramer Levin provided notice of an increase in its hourly rates.

16. The rates Kramer Levin charges for the services rendered by its professionals and paraprofessionals in these Chapter 11 Cases are reasonable relative to the rates charged by Kramer Levin to nonbankruptcy clients and to the customary compensation charged by comparably skilled practitioners in comparable nonbankruptcy and bankruptcy cases in a competitive national legal market.

17. During the course of these Chapter 11 Cases, Kramer Levin exercised its billing discretion and, as discussed in more detail below, voluntarily wrote-off certain fees and expenses in connection with the Monthly Statements (defined below). Kramer Levin's voluntary write-offs, resulted in savings to the Debtors' estates during this Third Interim Period of over \$600,000.00.¹

18. Drennen; (vi) AIG Asset Management (U.S.), LLC; (vii) U.S. Bank National Association; (viii) Allstate Life Insurance Company; and (ix) Financial Guaranty Insurance Corporation.

24. On June 27, 2012, Kramer Levin filed the Retention Application [Docket No. 528]. On July 16, 2012, the Court entered the Order Authorizing the Retention of Kramer

Levin Naftalis & Frankel LLP as Counsel for the Official Committee of Unsecured Creditors *Nunc Pro Tunc* to the May 16, 2012 [Docket No. 777] (the “**Retention Order**”).

25. On August 24, 2012, Kramer Levin filed the Supplemental Declaration of Kenneth H. Eckstein in Support of Application Pursuant to Sections 328 and 1103 of the Bankruptcy Code and Federal Rule of Bankruptcy Procedure 2014 for an Order to Retain and Employ Kramer Levin Naftalis & Frankel LLP as Counsel to the Official Committee of Unsecured Creditors of the Debtors, *Nunc Pro Tunc*, to May 16, 2012 [Docket No. 1257].

26. On October 19, 2012, Kramer Levin filed its first interim application (the “**First Interim Fee Application**”) for the allowance of compensation for professional services rendered and for reimbursement of actual and necessary expenses incurred from May 16, 2012 through August 31, 2012 (the “**First Interim Fee Period**”). In the First Interim Fee Application, Kramer Levin sought the interim allowance of fees in the aggregate amount of \$10,675,061.50 (the “**First Interim Fees**”), and the interim allowance of the reimbursement for actual and necessary expenses in the amount of \$305,820.34 (the “**First Interim Expenses**”).

27. By order dated December 28, 2012, the First Interim Fees and the First Interim Expenses were allowed in full, subject to a consensual reduction resolving the objection of the U.S. Trustee. Pursuant to the order, Kramer Levin received payment from the Debtors for (i) the full amount of the First Interim Expenses, and (ii) the full amount of the First Interim Fees subject to a 10% holdback.

28. On March 14, 2013, Kramer Levin filed its second interim application (the “**Second Interim Fee Application**”) [Docket No. 3212] for the allowance of compensation for professional services rendered and for reimbursement of actual and necessary expenses incurred from September 1, 2012 through December 31, 2012 (the “**Second Interim Fee Period**”). 29. By order dated April 29, 2013 [Docket No. 3556], the Second Interim Fees and the Second Interim Expenses were allowed in full, subject to a consensual reduction resolving the objection of the U.S. Trustee. Pursuant to the order, Kramer Levin received payment from the Debtors for (i) the full amount of the Second Interim Expenses, and (ii) the full amount of the Second Interim Fees subject to a 10% holdback.

KRAMER LEVIN FEE STATEMENTS

30. Kramer Levin maintains computerized records of the time spent by all Kramer Levin attorneys and paraprofessionals in connection with the representation of the Committee. Subject to redaction for the attorney-client privilege, Kramer Levin submitted monthly fee statements (the “**Monthly Fee Statements**”) to the Notice Parties (as that term is defined in the Interim Compensation Order) in the format specified by the UST Guidelines, allowing each of the Notice Parties an opportunity to review and object to the Monthly Fee Statements.² During the Third Interim Period, Kramer Levin provided the Notice Parties with the following Monthly Fee Statements:

- For January 1, 2013 through January 31, 2013 – fees of \$4,332,704.00 and expenses of \$91,648.05 (the “**January Statement**”);
- For February 1, 2013 through February 28, 2013 – fees of \$4,136,064.00 and expenses of \$175,540.05 (the “**February Statement**”);

² To date, Kramer Levin has not received any objections to its Monthly Fee Statements.

- For March 1, 2013 through March 31, 2013 – fees of \$3,231,970.50 and expenses of \$374,610.84 (the “**March Statement**”); and
- For April 1, 2013 Through April 30, 2013 – fees of \$3,662,522.00 and expenses of \$173,761.47 (the “**April Statement**”).

31. In total, Kramer Levin submitted Monthly Fee Statements during the Third Interim Period for fees of \$15,363,260.50 and expenses of \$815,560.41. Prior to submitting the Monthly Fee Statements, Kramer Levin conducted an internal review of the fees and expenses incurred during each applicable period and determined to voluntarily write-off fees in the amount of \$327,849.50 and expenses in the amount of \$103,252.89.³

32. In accordance with the Interim Compensation Order, Kramer Levin sought payment for 80% of fees and 100% of expenses incurred pursuant to each Monthly Fee Statement. With respect to the January Statement, Kramer Levin received a payment of \$3,557,811.25, representing 80% of fees requested (\$4,332,704.00) and 100% of expenses requested (\$91,648.05). With respect to the February Statement, Kramer Levin received a payment of \$3,484,391.25, representing 80% of fees requested (\$4,136,064.00) and 100% of expenses requested (\$175,540.05). With respect to the March Statement, Kramer Levin requested payment of \$2,960,187.24, representing 80% of fees requested (\$3,231,970.50) and 100% of expenses requested (\$974,610.84). With respect to the April Statement, Kramer Levin requested payment of \$3,103,779.07 representing 80% of fees requested (\$3,662,522.00) and 100% of expenses requested (\$173,761.47). At the time of this application, Kramer Levin has not received any payments on account of the March and April Statements.

³ Following the submission of the Monthly Fee Statements, Kramer Levin conducted a further review of the fees and expenses incurred during the Third Interim Period and elected to further write off fees in the amount of \$165,713.50 and reduce the amount of expenses requested by \$9,391.82. Reflecting these additional write-offs, the total amount of voluntary write-offs in fees is \$493,563.00 and the total amount of voluntary write-offs in expenses is \$112,644.71.

33. In total, therefore, pursuant to this Application, Kramer Levin respectfully requests that the Court enter an order awarding Kramer Levin on an interim basis fees in an aggregate amount of \$15,197,547.00 and the reimbursement of actual and necessary expenses Kramer Levin incurred during the Third Interim Period in the aggregate amount of \$806,168.59.

34. The Monthly Fee Statements submitted by Kramer Levin are subject to a 20% holdback (as is customary in this District) imposed by the Court on the allowance of fees. The aggregate amount of Kramer Levin's holdback during the Third Interim Period is \$3,039,509.40. Kramer Levin respectfully requests, in connection with the relief requested herein, that the Court allow this holdback amount on an interim basis pursuant to sections 330 and 331 of the Bankruptcy Code and authorize the Debtors to satisfy such amounts. Kramer Levin further requests that the Court allow the remaining 10% holdback with respect to the First Interim Fee Period and Second Interim Fee Period on an interim basis pursuant to sections 330 and 331 of the Bankruptcy Code and authorize the Debtors to satisfy such amounts.

35. To the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Third Interim Period but were not processed prior to the preparation of this Application, Kramer Levin reserves the right to request compensation for such services and reimbursement of such expenses in a future fee application.

SUMMARY OF LEGAL SERVICES RENDERED

36. The Committee has accomplished a substantial amount since its appointment in these Chapter 11 Cases. To support these results, Kramer Levin provided a wide array of services during the Third Interim Period, including, for example, services related to (i) the negotiation of the terms of a consensual chapter 11 plan, (ii) the sales of the Platform Assets and HFS Assets; (iii) the investigation of prepetition related-party transactions; (iv) the Debtors' proposed \$8.7 billion settlement of RMBS liabilities and related litigation; (v) the analysis of

numerous claims filed against the Debtors, and (vi) the Debtors' obligations under the consent order with the Federal Reserve Board and other regulatory obligations.

37. The legal services rendered by Kramer Levin during the Third Interim Period are summarized below. The following summary is not a detailed description of the work performed, as the day-to-day services and the time expended in performing such services are fully set forth in **Exhibit E**. Rather, in compliance with the UST Guidelines, the following summary highlights certain areas in which services were rendered to the Committee and identifies some of the issues to which Kramer Levin devoted significant time and effort during the Third Interim Period.

38. The summary is divided according to the project billing codes that Kramer Levin created to best reflect the categories of tasks that it was required to perform in connection with these Chapter 11 Cases. Nevertheless, under the circumstances, and given the interconnectedness of the issues in these Chapter 11 Cases, certain of these categories may overlap with one another.

A. Case Administration

Kramer Levin Billing Code: 1

(Fees: \$64,493.50/ Hours Billed: 135.80)

39. Throughout the Third Interim Period, Kramer Levin continued to monitor the bankruptcy docket, reviewed and summarized the various pleadings filed in the cases for both internal and client use, and communicated with other professionals regarding the progress of the Chapter 11 Cases. The complexity of these cases also requires careful internal coordination among Kramer Levin professionals to handle matters efficiently and effectively. To that end, this matter includes time spent preparing work-in-progress memoranda and a case calendar, as well as holding coordination meetings to ensure that Kramer Levin professionals are undertaking the various required tasks in an efficient manner. Lastly, this matter includes time

billed by Kramer Levin professionals and paraprofessionals in creating and maintaining case files and databases to ensure appropriate access by other professionals.

B. DIP Financing/Cash Collateral/JSN Adversary Proceeding

Kramer Levin Billing Codes: 2 and 8

(Matter 2 Fees: \$707,864.00/ Hours Billed: 1,027.30)

(Matter 8 Fees: \$59,822.50/ Hours Billed: 84.80)

40. The AFI DIP Order originally provided for the consensual use of the Junior Secured Noteholders' cash collateral through the effective date of any chapter 11 plan to occur by December 15, 2012. In December 2012, the Court entered the *Stipulation and Order Amending the AFI DIP and Cash Collateral Order* [Docket No. 2495] that extended the termination of the consensual use of cash collateral to the closing of the sale of the Platform Assets (the "**Platform Sale**"). As discussed in further detail below, the closing of the Platform Sale was bifurcated into two sub-closings, with the latter sub-closing occurring on February 15, 2013.

41. Following the closing of the Platform Sale, Kramer Levin assisted the Committee in negotiating the *Second Stipulation and Order Amending the AFI DIP and Cash Collateral Order* [Docket No. 2927] with the Debtors, AFI, and the Junior Secured Noteholders, which was filed on February 15, 2013 and extended the termination date for the use of cash collateral to (i) the effective date of a Plan for any Debtor, (ii) March 18, 2013, or (iii) the occurrence of a termination event under the AFI DIP Order. During this time, parties attempted to reach a consensual resolution for the continued use of cash collateral of AFI and the Junior Secured Noteholders. Kramer Levin participated in numerous discussions with the Debtors' professionals, as well as the professionals retained by AFI and the Junior Secured Noteholders, as to the terms of such a consensual resolution. Parallel to these negotiations, the parties also negotiated the *Third Stipulation and Order Amending the AFI DIP and Cash Collateral Order*

[Docket No. 3230] and the *Fourth Stipulation and Order Amending the AFI DIP and Cash Collateral Order* [Docket No. 3458], which were respectively entered on March 18, 2013 and April 17, 2013, and extended the date for the use of cash collateral to April 30, 2013.

42. As it became clear that the parties were unlikely to reach a consensual resolution for the use of cash collateral, Kramer Levin discussed with the Debtors' professionals the prosecution of a motion seeking the non-consensual use of cash collateral. On April 8, 2012, the Debtors filed their *Motion for Entry of an Order to Permit the Debtors to Continue Using Cash Collateral* [Docket No. 3374]. Kramer Levin spent time reviewing this motion, and discussed with the Debtors' professionals certain issues with the motion. Because some of these issues remained unresolved at the time of filing, Kramer Levin assisted the Committee in preparing a limited objection to the motion which was filed on May 6, 2013 [Docket No. 3624]. The Junior Secured Noteholders (as well as AFI) also filed an objection to the Motion and sought discovery in connection with the Motion. Kramer Levin reviewed the documents produced by the Debtors, attended the depositions of the two witnesses put forward by the Debtors in support of the motion, participated in other discovery matters, and was heavily involved in the negotiations to reach a consensual resolution with respect to the motion.

43. Prior to the Third Interim Period, the Court entered an order authorizing the Committee to prosecute claims against the Junior Secured Noteholders. The order required that the Committee file its complaint against the Junior Secured Noteholders by February 28, 2013. The Committee filed the complaint on February 28, 2013 and thereby commenced an adversary proceeding against the Junior Secured Noteholders [Docket No. 3069; Adv. Case. No. 13-01343, Docket No. 1] (the "**Committee Adversary Proceeding**"). Kramer Levin assisted

Pachulski in the review of documents and other data received by the Debtors related to the complaint.

44. Following the commencement of the Committee Adversary Proceeding, Kramer Levin continued to analyze the Junior Secured Noteholders' claims and liens. Kramer Levin spent a substantial amount of time researching legal issues in connection with the claims and liens of the Junior Secured Noteholders, and prepared memoranda and presentations for the Committee regarding the results of its legal analysis.

45. Following the commencement of the Committee Adversary Proceeding, during the Third Interim Period, the Committee and the Debtors held numerous in-depth discussions regarding certain contentions made by the Junior Secured Noteholders as to the extent of their security interest in the Debtors' assets and their entitlement to postpetition interest pursuant to section 506(b) of the Bankruptcy Code. Following these discussions, the Committee and the Debtors determined that it was appropriate for the Debtors to commence an adversary proceeding against the Junior Secured Noteholders to address these issues. Thus, Kramer Levin spent a significant amount of time during the Third Interim Fee Period reviewing the Debtors' draft complaint against the Junior Secured Noteholders, analyzing the issues addressed in the complaint, and working with the Debtors regarding a litigation strategy for addressing all outstanding issues with the Junior Secured Noteholders. The Debtors' complaint seeking, inter alia, declaratory judgment that the Junior Secured Noteholders were not entitled to postpetition interest under section 506(b) was ultimately filed on May 3, 2013 [Docket No. 3592, Adv. Case No. 13-01277].

C. Use, Sale or Lease of Property/Executory Contracts/Unexpired Leases

Kramer Levin Billing Codes: 3 and 15

(Matter 3 Fees: \$1,002,229.00/ Hours Billed: 1,309.50)

(Matter 15 Fees: \$11,933.50/ Hours Billed: 16.50)

46. During the Third Interim Period, Kramer Levin continued working with the Debtors' professionals towards closing the sale of the Debtors' Platform and HFS Assets. Prior to closing, Kramer Levin participated in numerous negotiations with the purchasers, the Debtors, and the governmental servicing entities regarding issues related to the sale documents and the timing of the respective closings. Toward that end, Kramer Levin spent time reviewing, analyzing, and negotiating certain modifications to the numerous sale-related documents prior to closing, including the asset purchase agreements, transition services agreements, servicing transfer agreements, and related stipulations with each of Ocwen, Walter, and Berkshire Hathaway. Kramer Levin provided the Committee with numerous updates on the sale process, and discussed strategies regarding negotiations with the purchasers and other parties in interest relating to closing.

47. As a result of discussions among the parties, the Committee, the Debtors, and the buyers determined that it would be advantageous to the estates to bifurcate the closing of the sale of the Platform Assets. Kramer Levin advised the Committee as to the bifurcation of the sale and reviewed the various sale documents required to effect the bifurcation. The sale of the origination platform to Walter closed on January 31, 2013, the sale of the whole loan portfolio to Berkshire Hathaway closed on February 5, 2013, and the sale of the servicing platform to Ocwen closed on February 15, 2013. In the weeks running up to the closing, Kramer Levin participated in near-daily conference calls with the Debtors and the buyers to coordinate the logistical issues related to closing large transactions, including the resolution of any open issues in the sale documents, effecting the physical transfer of assets, and the provision of transition services. In

connection with the sale of the Platform Assets, Kramer Levin was actively involved in the negotiation of extensive transition services agreements with Ocwen and Walter.

48. In addition, numerous cure objections remained outstanding during the Third Interim Fee Period, and Kramer Levin continued to review each of these cure objections, and work with the Debtors' professionals and successful bidders in an to attempt to resolve these objections in advance of closing. Indeed, certain substantive cure objections, including those filed by Fannie Mae and Freddie Mac (which totaled hundreds of millions of dollars) remained outstanding following the sale hearing and continued to require a thorough review and understanding of the issues giving rise to the alleged cure amounts. Kramer Levin assisted the Committee in resolving the Fannie Mae and Freddie Mac objections during the Third Interim Period, as well as advised the Committee with regard to the status of other open cure objections.

49. Although the Debtors sold a substantial portion of their assets through the sale of the Platform Assets and HFS Assets, upon closing the Debtors still held approximately \$1.4 billion in non-cash assets to be liquidated through the wind-down process. In an effort to liquidate some of these assets, in January 2013, the Debtors sought Court authority to establish procedures to sell certain of their remaining loans insured by the Federal Housing Administration (the "**FHA Loans**"). Kramer Levin reviewed, analyzed, and negotiated modifications to these procedures to ensure that they were in the best interest of the estate, and the Court ultimately approved the proposed bidding and sale procedures on January 17, 2013 [Docket No. 2649]. Following the establishment of these procedures, the Debtors received certain bids for the FHA Loans in February 2013 and, after an analysis by the Debtors' professionals and the Committee's professionals (including Kramer Levin), the Debtors determined that the bids received did not

represent the maximum value the estates could receive for such loans. Accordingly, the Debtors did not sell the FHA Loans during the Third Interim Period.

50. During this time, and in connection with the sales of the Debtors' assets, the Debtors sought to assume or reject certain executory contracts and unexpired leases. In accordance with the rejection procedures established by the Court, Kramer Levin and other Committee professionals analyzed the contracts or leases the Debtors sought to assume or reject to ensure that the Debtors' proposed actions were in the best interests of the estates.

D. Plan of Reorganization/Disclosure Statement/Insurance Issues

Kramer Levin Billing Codes: 4 and 25

(Matter 4 Fees: \$1,312,585.50/ Hours Billed: 1,767.10)

(Matter 25 Fees: \$81,654.50/Hours Billed: 96.60)

51. Following the appointment of the Honorable James M. Peck as mediator (the "**Mediator**") on December 26, 2012, Kramer Levin immediately began engaging in a dialogue with Judge Peck and the Debtors regarding the process by which the parties hoped to achieve a resolution of these chapter 11 cases, and attended numerous meetings with Judge Peck and the Debtors to discuss these issues. In light of the myriad case issues that needed to be addressed through the mediation, including inter-Debtor, Debtor-creditor, and inter-creditor issues, these meetings were often lengthy and required a substantial amount of preparation.

52. Following numerous negotiations and discussions with AFI regarding the claims and causes of action identified by the Committee against AFI and its affiliates, on January 30, 2013 the Committee prepared and delivered a proposal to AFI that the Committee believed would facilitate a global resolution of these chapter 11 cases. This proposal was not accepted by AFI, and the Committee was later informed that the mediation had come to a temporary standstill.

53. During this time, on February 11, 2013 the Debtors' filed a motion seeking approval of the appointment of Mr. Lewis Kruger as chief restructuring officer of the Debtors (the "**CRO Motion**"), and on February 14, 2013 the Debtors filed a motion seeking to further extend their exclusive periods for filing and soliciting acceptances of a proposed chapter 11 plan through July 29, 2013 (the "**Third Exclusivity Motion**"). After analyzing each of these motions and discussing its concerns with the Debtors, Kramer Levin ultimately negotiated a resolution of its outstanding concerns with the motions pursuant to which (i) the Committee would support an extension of the Debtors' exclusive periods through April 30, 2013 during which time the Debtors would not file a plan without the Committee's support, (ii) the Debtors would consent to a motion by the Committee seeking standing to pursue claims or causes of action against AFI and its affiliates, (iii) the Debtors would allow their prepetition plan support agreement with AFI to expire by its own terms, (iv) the chief restructuring officer and the Debtors would work with the Committee regarding a revised scope and authority of the chief restructuring officer going forward and (v) the hearing on the RMBS 9019 Motion (discussed below) would be further adjourned to May 2013, and the Debtors would work with the Committee towards a resolution of the major disputed claims filed against the Debtors. Kramer Levin prepared a detailed response to the CRO Motion and Third Exclusivity Motion outlining this agreement, which was filed on February 26, 2013 [Docket No. 3042].

54. As negotiations among the parties progressed during the Third Interim Fee Period, Kramer Levin continued to engage in discussions with the Debtors and Committee members regarding plan proposals and plan constructs, and began preparing a draft plan term sheet outlining the terms of a potentially consensual chapter 11 plan. This necessarily involved an analysis of the Debtors' waterfall, and discussions with the Committee's financial advisor and

investment banker regarding plan assumptions and scenarios. During this time, Kramer Levin also analyzed numerous documents provided by the Debtors regarding the GMAC/Ally directors and officers and errors and omissions insurance policies and related coverage issues, as a potential means by which AFI could increase its contribution to the estates through a settlement.

55. Ultimately, following a series of individual meetings between Judge Peck and the Committee, Committee members, other major creditors, the Debtors, and AFI, Judge Peck scheduled a “global mediation summit” for April 22-23, 2013. This mediation summit was hosted by Kramer Levin and attended by over 140 representatives of the parties in interest in these cases. Necessarily, Kramer Levin spent extensive time not only preparing for the mediation itself, but preparing and reviewing draft term sheets and potential plan support agreements. Following additional mediation sessions held in early May, the Debtors, Ally, the Committee, and a majority of the Debtors’ major unsecured creditor constituencies reached a resolution of the major outstanding case issues (the “**Global Settlement**”), and executed a plan support agreement on or about May 13, 2013 (the “**PSA**”). The Debtors’ entry in to the PSA was approved by the Bankruptcy Court on June 26, 2013 [Docket No. 4098].

E. AFI Investigation

Kramer Levin Billing Code: 6

(Fees: \$6,195,014.00/ Hours Billed: 9,922.60)

56. During the Third Interim Period, Kramer Levin continued its extensive investigation of the Debtors’ prepetition activities, including the Debtors’ prepetition and related-party transactions, and its analysis of the Debtors’ prepetition relationship with its parent entity, AFI. In response to subpoenas and document requests served on the Debtors, AFI and Cerberus in connection with the Committee’s 2004 Motion, as well as discovery requests issued by the Examiner following his appointment, the Debtors, AFI, Cerberus, and other affiliates and third-parties, produced voluminous documents relating to the Committee’s and the Examiner’s

investigation. Kramer Levin spent substantial amounts of time reviewing and analyzing these documents, coordinating document searches, document review and other discovery issues with Kramer Levin's electronic discovery team, as well as preparing memoranda summarizing relevant findings and analysis. More specifically, during the Third Interim Period, Kramer Levin continued to run searches through, review, and analyze the substantial productions to the Examiner made available to the Committee for its investigation (amounting to millions of pages of produced documents), and conduct legal research regarding the merits of a wide range of potential claims against AFI and affiliates.

57. As a result of its investigation and analysis, Kramer Levin identified significant and potentially valuable causes of action that could be brought against AFI and other parties-in-interest. In connection with the mediation of plan issues with AFI, among others, Kramer Levin spent significant amounts of time researching and preparing a lengthy presentation (running approximately 3 hours in length and including approximately 115 pages of written materials), which was presented to, among others (i) AFI on January 9, 2013, (ii) the Honorable James M. Peck, as mediator, on January 8, 2013, (iii) the Debtors, on January 17, 2013, and (iv) to the Examiner on January 23, 2013. Following each of these presentations, Kramer Levin continued to revise and refine this presentation to address questions and comments from various parties in interest. AFI likewise provided a responsive presentation regarding defenses to the claims and causes of action identified by the Committee, and Kramer Levin spent time reviewing, analyzing, and researching issues identified by AFI's presentation.

58. In addition to presenting materials regarding the claims and causes of action identified by the Committee, Kramer Levin also spent a substantial amount of time preparing written submissions to the Examiner—totaling over 150 pages in length—regarding (i)

the legal and factual analysis of the claims identified by the Committee against AFI and its affiliates, including all supporting evidence obtained through discovery, and (ii) the insufficiency of the proposed \$750 million contribution from AFI. At the Examiner's request, Kramer Levin also researched and prepared a submission to the Examiner regarding the application of a Minnesota insider preference statute to any of the transactions under investigation.

59. During the Third Interim Period, Kramer Levin sought and obtained the Debtors' consent to the Committee's standing to pursue the identified claims and causes of action against AFI and its affiliates. Accordingly, Kramer Levin drafted and prepared a motion seeking standing to pursue such claims and causes of action against AFI, which was filed on April 11, 2013 [Docket No. 3412]. In connection with filing a motion seeking standing to pursue claims against AFI, Kramer Levin continued to draft, revise, and refine portions of a potential complaint to be prosecuted against AFI and certain other relevant parties-in-interest on behalf of the estates, in the event the ongoing mediation did not result in a global resolution of the outstanding issues with AFI.

60. Additionally, during the Third Interim Fee Period, Kramer Levin continued to hold numerous and regular internal meetings to discuss strategy and methodology to ensure that the investigation was being conducted in an efficient and effective manner, in addition to regular meetings and communications with the Committee's financial advisors regarding the investigation.

F. RMBS Issues

Kramer Levin Billing Code: 7

(Fees: \$3,605,916.50/ Hours Billed: 5,537.50)

61. During the Third Interim Period, Kramer Levin continued to devote a significant amount of time to its investigation and analysis of the Debtors' motion seeking approval of the RMBS Settlement Agreement under Bankruptcy Rule 9019 [Docket No. 320]

(the “**RMBS 9019 Motion**”), which seeks Court approval of an \$8.7 billion settlement of representation and warranty claims held by 392 securitization trusts.

62. The trial on the RMBS 9019 Motion was previously adjourned to March 2013 and, following plan-related negotiations, later adjourned to May 2013. In anticipation of trial, Kramer Levin, among other things, (i) reviewed and analyzed the reply briefs, declarations, expert reports, and related documents served in response to its and other opposing parties’ objections on January 15, 2013, and filed with the Court on February 1, 2013, (ii) assisted the Committee’s experts in preparing direct testimony in opposition to the RMBS 9019 Motion, (iii) began preparing numerous and extensive cross-examination outlines of the potential witnesses to be proposed at trial by the parties supporting the RMBS 9019 Motion, and (iv) preparing motions *in limine* and *Daubert* motions seeking to preclude the Debtors from introducing certain evidence or witnesses at trial.

63. After reviewing the reply briefs, Kramer Levin identified certain evidentiary issues with the Debtors’ evidence and witnesses to be proposed at trial. In that regard, Kramer Levin researched the legal issues surrounding these implications, and prepared a motion seeking to preclude the Debtors from offering any evidence of their reliance on counsel for advice concerning the evaluation, negotiation or approval of the RMBS Settlement, which was filed on February 13, 2013 [Docket No. 2906] (the “**Preclusion Motion**”). The Debtors opposed the Preclusion Motion, and Kramer Levin prepared a reply to the Debtors’ opposition, which was filed on February 25, 2013 [Docket No. 3025]. The Preclusion Motion was originally scheduled to be heard on March 1, 2013, but, in connection with an adjourned hearing schedule on the RMBS 9019 Motion was adjourned to April 11, 2013. Following oral argument at the hearing on April 11, 2013, the Court granted the Committee’s Preclusion Motion, and issued a

memorandum opinion and order granting the Committee's motion in part, thereby precluding the Debtors' from introducing, among other things, legal advice given in connection with the RMBS Settlement.

64. On February 13, 2013, the Debtors filed an amended witness list for the trial on the RMBS 9019 Motion, identifying Pamela West and James Whitlinger as additional rebuttal witnesses. Having not previously obtained discovery relating to Ms. West or having the opportunity to take her deposition, Kramer Levin contested the introduction of this witness at this time, and ultimately the Debtors agreed to produce additional documents relating to Ms. West and allow the Committee and other parties in interest an opportunity to take her deposition. Accordingly, Kramer Levin spent time reviewing and analyzing the additional production made by the Debtors in connection with Ms. West's introduction as a rebuttal witness, drafting deposition outlines. A day before the deposition date, the Debtors withdrew Ms. West as a witness and cancelled the deposition.

65. During this time Kramer Levin also analyzed the proposed claim allocation methodology contemplated by the RMBS 9019 Motion, and researched various legal issues raised by such methodology. After raising initial concerns with the Debtors regarding the proposed allocation (including the lack of clarity regarding the exact methodology that would be employed), Kramer Levin spent time negotiating with the Debtors, the RMBS Trustees, the Steering Committee, and certain other parties in interest regarding the these issues. Simultaneously, during the Third Interim Period, Kramer Levin continued spending a significant amount of time researching the legal and factual issues raised by the RMBS 9019 Motion, and preparing internal memoranda regarding the results of such research. Kramer Levin continued to

hold numerous meetings with the Committee's professionals and experts regarding the status of the Committee's analysis of the Debtors' RMBS 9019 Motion and preparation for trial.

G. Committee Meetings/ Communications

Kramer Levin Billing Code: 10

(Fees: \$495,643.00/ Hours Billed: 724.20)

66. This matter relates to in-person and telephonic Committee meetings, as well as conference calls with individual Committee members and with the Committee's other legal and financial advisors. Kramer Levin, together with the Committee's other professionals, coordinates all of the Committee's activities, including attending to member issues and setting agendas for Committee meetings and conference calls. Given the extraordinary level of activity in these cases, during the Third Interim Period the Committee continued to hold a standing weekly Committee meeting or call and a weekly co-chair call to review the agenda and organize the upcoming Committee meeting or call.

67. Specifically, during the Third Interim Period, Kramer Levin, together with the Committee's professionals, held numerous conference calls and in-person meetings with the full Committee and its advisors, as well as multiple ad hoc calls with Committee members and its advisors to discuss developments related to the case. During Committee calls, Kramer Levin discussed key near-term and long-term issues with the full Committee and its advisors. Frequently, due to the number and complexity of items on the agenda for a given Committee meeting, the participation of multiple professionals was necessary to ensure that Kramer Levin could be responsive to Committee members' questions as they arise. To the extent a professional was only addressing a discrete number of items on the agenda, such professional would only participate in the meeting or conference call for the period of time during which those items were discussed.

68. Prior to such Committee meetings, Kramer Levin reviewed each pending matter requiring the Committee's attention and underlying documentation in connection therewith and coordinated advice with the Committee's other professionals. In addition, Kramer Levin held weekly calls or in-person meetings with the Committee co-chairs to review items to be discussed at the upcoming Committee meeting and formulate an agenda for such Committee meetings. Kramer Levin then circulated an agenda to the Committee prior to each Committee meeting, along with written overviews, analyses, and presentations addressing many of the issues to be discussed at the meeting. Thereafter, Kramer Levin analyzed each of these matters with the Committee, as well as individual Committee members, and assisted the Committee in formulating a position with respect to each matter. Kramer Levin also maintained minutes of each Committee meeting.

69. In addition, Kramer Levin provided Committee members with daily case update emails on the status of case issues and any new pleadings or issues that arose between Committee meetings or Committee calls. Kramer Levin also regularly communicated with individual Committee members via email and telephone regarding case inquiries.

(Matter 24 Fees: \$39,888.00/ Hours Billed: 51.80)

70. Throughout the Third Interim Period, Kramer Levin reviewed, analyzed, summarized, and provided recommendations to the Committee with respect to numerous legal, financial, and business aspects of motions filed by the Debtors and other parties-in-interest in these Chapter 11 Cases. To adequately protect creditor rights and assert the Committee's positions, Kramer Levin, when directed to do so by the Committee, prepared formal and informal responses to motions and other requests for relief, as well as filing certain motions on

behalf of the Committee. During the Third Interim Period, certain salient motions addressed by Kramer Levin and discussed in detail with the Committee included, among others:

71. Foreclosure Review Motion. On February 27, 2013, the Debtors filed a motion (the “**Foreclosure Review Motion**”) [Docket No. 3055] for a determination that for the purposes of a Chapter 11 plan GMAC Mortgage, LLC’s foreclosure review obligations give rise to a general unsecured claim, and the automatic stay prevents enforcement of that claim. Upon review of the Foreclosure Review Motion, the Committee determined to support the motion. In consultation with the Committee and other Committee professionals, Kramer Levin drafted and filed on March 19, 2013, the Committee’s reply [Docket No. 3245] in response to the objections filed by AFI and the Federal Reserve Board. Following a hearing on the motion held on March 21, 2013, Kramer Levin also conducted additional research and prepared a supplemental brief addressing the two issues raised by the Court, namely: (i) whether certain claims arising under the FRB’s Consent Order should be classified as general unsecured claims; and (2) if those claims were treated as general unsecured claims, whether AFI would be liable if distributions on those claims were insufficient to pay unsecured creditors in full. On April 5, 2013, Kramer Levin filed the Committee’s supplemental brief [Docket No. 3367] addressing these two issues and in further support of the Foreclosure Review Motion.

72. Kramer Levin also spent time during the Third Interim Fee Period analyzing the terms of the FRB Consent Order and the Debtors’ other regulatory obligations, and working with the Committee’s special regulatory counsel in negotiations with the FRB regarding a potential amendment to the FRB Consent Order to resolve the foreclosure review obligations imposed by such order. Ultimately, in connection with the Global Settlement discussed above, the parties were able to achieve a resolution of the FRB Consent Order foreclosure review

obligations, and the Debtors' entered into an amendment to the FRB Consent Order (pursuant to which the Debtors will fund \$230 million in payments to borrowers) which was approved by Court on July 26, 2013 [Docket No. 4226].

73. Rothstein Motion. On December 21, 2012, AFI and Ally Bank filed a motion for an order enforcing the automatic stay to (i) enjoin prosecution of alter ego and veil piercing claims in the putative class action entitled *Landon Rothstein, et al. v. GMAC Mortgage, LLC, et al.*, and (2) declare such claims void ab initio (the "Rothstein Motion") [Docket No. 2511]. During the Third Interim Period, the Committee continued to analyze the issues raised by the Rothstein Motion, as well as negotiate with the various parties involved. In accordance with an agreed-upon briefing schedule with counsel to the Rothstein plaintiffs, in consultation with the Committee and other Committee professionals, Kramer Levin drafted and filed on April 2, 2013, the Committee's response to the Rothstein Motion. [Docket No. 3345].

I. Court Hearings

Kramer Levin Billing Code: 12

(Fees: \$104,626.50/ Hours Billed: 162.30)

74. In the Third Interim Period, the court held eleven hearings regarding a wide variety of issues related to these Chapter 11 Cases, in addition to a number of status conferences (both in-court and telephonic) and chambers conferences to address specific issues raised by contested matters.⁴ Kramer Levin spent a significant amount of time preparing for and participating in hearings and status conferences, including the following:

- Hearings related to progress in the development of a chapter 11 plan, including the appointment of a CRO and extension of the Debtors' exclusive period to file a plan;
- Hearings regarding the Examiner's Investigation, including status updates, and hearing on the Examiner's motion to set a deadline for claw-back requests;

⁴ Hearings and status conferences were held on the following dates during the Third Interim Period: (i) January 16, 2013; (ii) January 29, 2013; (iii) February 7, 2013; (iv) February 28, 2013; (v) March 1, 2013; (vi) March 5, 2013; (vii) March 15, 2013; (viii) March 21, 2013; (ix) April 11, 2013; (x) April 17, 2013; and (xi) April 30, 2013.

- Hearing on the Foreclosure Review Motion and updates on the foreclosure review process;
- Numerous in-person and telephonic status conferences regarding the Debtors' RMBS 9019 Motion, including issues regarding the scheduling of the trial on the RMBS 9019 Motion as well as numerous discovery-related disputes, including hearing on the Committee's motion to preclude certain evidence;
- Hearing on the motion to establish omnibus claims objection and settlement procedures;
- Hearings on the Debtors' compensation programs, including the Annual Incentive Plan, estate and executive KEIP programs and the estate KERP program;
- Hearing on the motion regarding FHA loan sale procedures; and
- Numerous hearings on motions to lift the automatic stay.

75. Kramer Levin also spent a significant amount of time negotiating with the Debtors and various other parties in an attempt to resolve the Committee's concerns relating to these matters prior to each hearing, or to reduce or eliminate disputes such that the parties could obtain relief in a consensual and efficient manner, where applicable, thereby preserving estate and judicial resources. Due to the number and complexity of the items on an agenda for a given hearing, Kramer Levin frequently needed multiple professionals to attend court hearings and status conferences. In an effort to minimize the cost to the estate, however, those professionals would only attend the hearing until the matter requiring their expertise was heard.⁵ Each of the professionals attending a court hearing for a particular matter were necessary to ensure that Kramer Levin could appropriately and promptly respond to questions from the Court or issues raised by other parties-in-interest.

⁵ In accordance with the Court's instruction at the April 11, 2013 hearing, no more than three professionals billed for attending a full omnibus hearing on multiple matters.

J. Employee Benefits / Executive Compensation

Kramer Levin Billing Code: 13

(Fees: \$144,862.00/ Hours Billed: 207.80)

76. During the Third Interim Period, Kramer Levin and the Committee continued to review issues relating to employee benefits and executive compensation. Specifically, in the Third Interim Period, the Committee established an Executive Compensation Subcommittee (the “**Subcommittee**”) to review and address issues related to the compensation of the Debtors’ management and the professionals working on these Chapter 11 Cases. Kramer Levin coordinated the activities of the Subcommittee, including numerous Subcommittee conference calls, meetings with the Debtors and Debtors’ professionals, formulating recommendations for the Committee, and making presentations to the Committee.

77. Specifically, during the Third Interim Period, Kramer Levin addressed, in consultation with the Committee and Subcommittee, the Debtors’ post-sale management structure and issues relating to the fee structure Debtors’ professionals, as well as negotiating the terms of the short and long term key employer incentive programs, and a key employee retention program, and reviewing the Debtors’ motion seeking approval of these programs. The Court approved the Debtors entry into these programs on April 16, 2013 [Docket No. 3443].

K. Claims Administration

Kramer Levin Billing Code: 16

(Fees: \$568,437.50/ Hours Billed: 887.20)

78. During the Third Interim Period, Kramer Levin continued engaging in discussions and meetings with each of the Committee members regarding their potential claims against the Debtors and their affiliates, including their potential claims against AFI. In furtherance of these discussions, Kramer Levin spent a significant amount of time researching and analyzing the claims of major creditor constituencies, and preparing internal memoranda regarding the treatment and classification of such claims. Kramer Levin also held numerous

internal meetings and discussions with Committee professionals regarding the analysis of such claims.

79. To date, there have been over 6,300 claims filed against the estates. Following the November bar date, Kramer Levin worked with the Committee's professionals and the Debtors' professionals to review filed claims and began an analysis of the claims asserted. Kramer Levin's preliminary claims analysis involved an initial review of the filed proofs of claim, discussions with the Debtors regarding such claims, and the preparation of presentations for the Committee providing a broad overview of the billions of dollars in filed claims. Kramer Levin also worked with the Debtors regarding strategy for addressing disputed claims, the formulation of omnibus claims procedures approved by the Court on March 21, 2013 and reviewing omnibus claims objections to be filed in accordance with the procedures.

L. Creditor Inquiries

Kramer Levin Billing Code: 17

(Fees: \$3,344.50/ Hours Billed: 5.80)

80. During the Third Interim Period, Kramer Levin spent time discharging its duties under section 1102 of the Bankruptcy Code, maintaining call and e-mail logs of creditor inquiries, and providing general information to and answering specific questions, calls, e-mails and letters from general unsecured creditors on a variety of issues related to the Debtors' bankruptcy cases. Kramer Levin also coordinated with special counsel for borrower-related issues to handle and respond to borrower inquiries and concerns. During the Third Interim Period, Kramer Levin also spent time maintaining and updating the Committee's website.

M. Retention of Professionals

Kramer Levin Billing Code: 18

(Fees: \$29,799.00/ Hours Billed: 51.70)

81. Prior to the Third Interim Period, the Committee determined that it was necessary and appropriate to retain: (i) Pachulski Stang Ziehl & Jones, LLP ("**PSZJ**") as co-

counsel to represent the Committee on certain issues, (ii) SilvermanAcampora, LLP (“SilvermanAcampora”) as special counsel to the Committee on borrower-related issues, and (iii) Wilmer Cutler Pickering Hale and Dorr LLP (“WilmerHale”) as special counsel on regulatory matters. During the Third Interim Period, Kramer Levin and the Committee continued to assist PSZJ and WilmerHale with issues regarding their retentions, including the hearing on WilmerHale’s retention held on January 16, 2013. The Court ultimately approved the Committee’s retention of PSZJ on January 9, 2013, and approved the Committee’s retention of WilmerHale on January 25, 2013.

82. During the Third Interim Period, Kramer Levin also reviewed and discussed with the Subcommittee and Committee issues related to an amendment of the Debtors’ retention of Centerview, as investment banker. Through discussions with the Debtors and Centerview regarding the crediting provisions of Centerview’s retention, the Committee negotiated certain modifications to the Debtors’ and Centerview’s proposal, and determined not to object to the modifications to Centerview’s engagement, which were approved by order of the Court on January 31, 2013 [Docket No. 2778].

83. The Committee also reviewed the Debtors’ applications filed during the Third Interim Period to modify the retention of FTI. After discussions with the Subcommittee, negotiations with the Debtors and FTI, and certain modifications to the Debtors’ and FTI’s proposals that the Committee believed were in the best interest of the estates, the Committee determined not to object to (i) FTI’s request to be compensated for certain services provided to help facilitate the closing of the sale to Walter, provided Walter reimburses the Debtors for the full cost of these services, and (ii) the amendment to FTI’s engagement agreement to extend its monthly cap rollover provision.

N. Fee Statements/ Applications

Kramer Levin Billing Code: 19

(Fees: \$146,299.50/ Hours Billed: 306.50)

84. During the Third Interim Period, Kramer Levin devoted time to drafting and preparing the Second Interim Fee Application, including preparing and reviewing all accompanying exhibits and monthly fee statements in accordance with the Guidelines. In addition, Kramer Levin oversaw the preparation and filing of the fee applications of all other Committee professionals, reviewed the monthly statements and fee applications of other professionals involved in the Chapter 11 Cases, and prepared summary charts of each. Compliance with this process in chapter 11 cases of this size and complexity is an important and time-consuming effort. The amount of fees billed to this category represents 0.96% of the total fees requested for the Third Interim Period. The total fees billed to this matter also reflects a voluntary reduction of over \$150,000.00 in fees primarily for time spent reviewing and revising monthly fee statements.

85. On March 25, 2013, the U.S. Trustee filed an omnibus objection to professionals' fee applications for the Second Interim Period. [Docket No. 3310]. Kramer Levin necessarily spent time reviewing the U.S. Trustee's objection, and Kramer Levin coordinated the Committee professionals' response to the U.S. Trustee and coordinated discussions among Kramer Levin, other Committee professionals and the U.S. Trustee. After conferring with the U.S. Trustee, Kramer Levin and the Committee professionals were able to successfully resolve the objections, and agreed to further reductions in fees and expenses, as set forth in the omnibus response of the Committee professionals [Docket No. 3395], which was drafted and filed on April 9, 2013 by Kramer Levin. The U.S. Trustee agreed that the response adequately addressed its objection, and the Court approved the fees and expenses of the Committee professionals, as revised per the agreement with the U.S. Trustee. Despite achieving a resolution with the U.S.

Trustee on its objection, Kramer Levin voluntary wrote-off fees in connection with the preparation of the response to the U.S. Trustee's objection to Kramer Levin's fee application as well as fees incurred working with the other Committee professionals in response to the U.S. Trustee's objections.

O. Automatic Stay

Kramer Levin Billing Code: 20

(Fees: \$259,075.00/ Hours Billed: 436.70)

86. Additionally, Kramer Levin prepared for and participated in weekly conference calls with SilvermanAcampora and the Debtors' professionals to ascertain and understand the professionals' positions on such motions, as well as the status of communications and negotiations with the movants, and reviewed all related filings, including letter, objections, responses, stipulations and orders, and responded as appropriate to the same.

Such fees are

reasonable relative to the customary compensation received by Kramer Levin from nonbankruptcy clients and by comparably skilled practitioners in comparable bankruptcy cases in a competitive national legal market.⁶

ACTUAL AND NECESSARY DISBURSEMENTS OF KRAMER LEVIN

91. As set forth in **Exhibit C** hereto, Kramer Levin has disbursed \$806,168.59 as expenses incurred in providing professional services during the Third Interim Period. Pursuant to Kramer Levin policy (which Kramer Levin submits is consistent with other New York City law firms), Kramer Levin pays certain expenses of professionals who work past 8:00 p.m. and on weekends and holidays in the service of its clients. These expenses include meal charges and car fares. While the UST Guidelines permit late-working professionals to use a car service, Kramer Levin has voluntarily limited its request for reimbursement to \$50 per trip to the extent that any such car fare exceeds this limit.⁷ Consistent with the UST Guidelines, Kramer Levin has also voluntarily reduced its request for reimbursement for late-working professionals' meal charges to \$20 per meal to the extent that such meal charges were in excess of this limit.⁸ This same \$20 per meal limitation was applied to all meal charges incurred in connection with

⁶ As noted above, attached hereto as **Exhibit B** is a schedule listing the hourly rate and the aggregate hours charged by Kramer Levin professionals who performed services for the Committee during the Third Interim Period.

⁷ In applying this policy, Kramer Levin did not request car fare expenses in the amount of \$18,559.55 incurred during the Third Interim Period.

⁸ In applying this policy, Kramer Levin did not request meal expenses in the amount of \$5,400.61 incurred during the Third Interim Period.

meetings.⁹ With respect to photocopying expenses, Kramer Levin voluntarily limited such charges to the lesser of \$0.10 per page or cost.¹⁰

92. These charges are intended to cover Kramer Levin's direct operating costs, which costs are not incorporated into Kramer Levin's hourly billing rates. Only clients who actually use services of the types set forth in **Exhibit C** are separately charged for such services.

93. Kramer Levin has made every effort to minimize its disbursements in these cases. The actual expenses incurred in providing professional services were absolutely necessary, reasonable, and justified under the circumstances to serve the needs of the Committee.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

94. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 1103 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court should consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

(A) the time spent on such services;

⁹ In applying this policy, Kramer Levin did not request meal expenses incurred in connection with meetings in the amount of \$11,219.41 incurred during the Third Interim Period. A detailed breakdown of the meeting charges per person is attached hereto as **Exhibit C-2**.

- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

95. Kramer Levin respectfully submits that the amount of compensation requested during the Third Interim Period is reasonable considering the nature, extent and value of the professional services performed during the Chapter 11 Cases. The fees sought in this Application reflect an aggregate of 23,237.70 hours expended by Kramer Levin attorneys and paraprofessionals performing necessary services. Work was carefully assigned to appropriate attorneys or paraprofessionals according to the experience and level of expertise required for each particular task and without unnecessary duplication. As discussed above, the rates charged by Kramer Levin for these services are reasonable relative to rates charged by Kramer Levin to nonbankruptcy clients and other professionals of comparable skill and competence in New York City. Kramer Levin has undertaken to minimize costs to the Debtors' estates while ensuring that the Committee receives the highest quality representation.

96. The services for which Kramer Levin seeks compensation in this Application were beneficial to, and in the best interests of, the Committee and the Debtors' estates. Based on an application of the above factors and its compliance with the Guidelines, Kramer Levin respectfully submits that approval of the compensation sought herein is warranted.

NOTICE

98. Pursuant to the Interim Compensation Order, notice of this Application has been given to the Notice Parties, and the Committee submits that no other or further notice need be provided.

NO PRIOR REQUEST

99. No prior request for the relief sought in this Application has been made to this or any other court.

WHEREFORE, Kramer Levin respectfully requests that the Court enter an order (i) awarding Kramer Levin the interim allowance of (a) fees for the Third Interim Period in the amount of \$15,197,547.00, and (b) reimbursement for actual and necessary expenses Kramer Levin incurred during the Third Interim Period in the amount of \$806,168.59; (ii) authorizing and directing the Debtors to pay Kramer Levin all unpaid fees and expenses for the Third Interim Period; (iii) authorizing and directing the Debtors to pay Kramer Levin for all compensation held back in connection with fees allowed under the Second Interim Fee Application and First Interim Fee Application; and (iv) granting such other relief as is just and proper.
